Dear Michael:

This letter is to advise you that Winpak Ltd. is very pleased with the programming that your company recently completed for us.

It was refreshing to find that you were able to meet all of our needs through the software and programming you recommended. All of our questions and requests were completed in a timely fashion. At this time, I would not hesitate to recommend Bison Customized Software and Consulting for future projects at Winpak Ltd. or to other outside companies. If future potential customers would like to contact myself about the work completed at Winpak Ltd., I can be reached at 204-889-1015.

Yours truly,
